December 2016

Attention Physical & Sport Education Coordinator

2017 Junior Development Badminton Clinics

Between April 18th and April 28st 2016 (Term 2), the Ballarat Badminton Association is offering free badminton clinics to Primary Schools in the Ballarat area. Attached is a schedule for the upcoming School Clinics to be held at the Ballarat Badminton Stadium.

The Ballarat Badminton Association Inc. would like to offer the grade 4 to 6 students of your school the opportunity to become involved in our Junior Development Program. This program will consist of free badminton clinics conducted at the Badminton Stadium in Dowling Street, Wendouree during school hours.

Cost of these clinics will be 100% funded by a special fund set up for this purpose by the Ballarat Badminton Association Inc. This includes the cost of instruction, supervisors, court hire, rackets and shuttles. These clinics will give your students the chance to experience the game first hand with their school friends. The only cost to the school will be transport to the stadium.

Clinics consist of sessions, which are 50 minutes in duration for up to 60 students per session. The clinics will be held from 9:30am - 3.00pm in second term on a "first in first serve" basis. Multiple sessions will be available per school if required, however only one session per class will be catered for. Teachers and parents are invited to take part in the clinics to learn the basic techniques of play and the rules etc.

Ballarat Badminton Assoc. will also be conducting an after-school competition for those schools interested to follow on from the clinics. This competition would be run at our stadium over approximately eight weeks from 4.30pm to 5.45pm (on Wednesday night) at a cost of \$12 per team (inc. GST), per night. Racquets will be supplied free of charge if required. Teams to consist of 4 players (boys, girls, mixed teams) plus an adult team manager (umpire). Further details about the after school competition will be distributed at the clinics.

Badminton is a family sport and can be enjoyed by players of all ages, sizes and standards so "be in the fun" and encourage your school to return the attached sheet promptly to ensure a place in the clinic on your preferred day, time etc. If these dates do not suit than please contact us to arrange a more suitable time.

For further information, please do not hesitate to contact us on the phone number or email above. Hopefully there is a date and time suitable for your school.

Thanks and regards,

Rhonda Cator
